

South Centre Tax Initiative

Seminar on Equity in Global Tax Regimes and Implications for the SDGs

7 October 2020, 14:00 – 16:00 CET

The South Centre Tax Initiative invites you to a virtual seminar on **Equity in Global Tax Regimes and Implications for the SDGs**. The seminar is designed to be an introduction to two topics: (1) key issues faced by developing countries in international taxation (2) redistributing taxing rights to the Global South through the ongoing proposals on taxing the digitalized economy. The speakers will be two Members of the UN Committee of Experts on International Cooperation in Tax Matters. The seminar is organized in collaboration with The Sustainability Platform (TSP) Asia, the University of Mysore and the Indian Economic Association.
